Celine Dion CELINE DION

I'd like to run away from you
But if I were to leave you I would die
I'd like to brake the chains you put
Around me
And yet I'll never try
No matter what you do you do you drive me crazy
I'd rather be alone
But then I know my life would be
So empty
As soon as you were gone
Impossible to live with you
But I could never live without you
For whatever you do/For whatever you do
I never, never, never
Want to be with anyone but you
You make me sad, you make me die
You make me laugh, you make me cry
You make me long for you
You make me live, you make me die
You make me laugh, you make me cry
You make me cry for me
I hate you, hten I love you, then I love you, then I hate you
Then I love you more
For whatever you do
I never, never, never
Want to be in love with anyone but you
You treat me wrong, you treat me right
You let me be, you make me fight with you
I could never live without you
You make me high, you bring me down
You set me free, you hold me bound to you

I hate you, then I love you
Then I love you, then I hate you, then I love you more
For whatever you do/For whatever you do
I never, never, never
Want to be in love with anyone but you
I never, never, never
I never, never, never
I never, never, never
Want to be in love with anyone but you....but you
